| What Parents Say

I have learnt how to handle my child in a **calm** and positive way; how to use **descriptive praise**; how to engage him in activities and reduce his screen time; positive impact of **spending quality time** with my kid; how behaviour charts help kids to work for their reward etc. Overall it was a very pleasant experience and I can see positive changes in me and my son's behaviour.

– Parent from Zhonghua Primary School

A good summary of good parenting skills. **Emotion management** techniques to calm down the kid. Behavioural chart to focus, monitor and improve the most unwanted behaviour.

– Parent from Compassvale Primary School

More Feedback on Triple P:

- Help their children **cope with their emotions**
- Find more effective ways to have **consistent boundaries** with children
- Reduce their children's **screen-time addiction**
- Get children to help out in household chores
- Flexible timing of sessions to cater to differing schedules

This programme make me **feel "Positive, refresh"** when I feel negative & upset, I am **not alone**.

– Parent, Nan Chiau Primary School

I've learnt a few approaches to allow me to manage my child effectively. It has **reduced my frustration** a bit when it comes to managing my child, thus **reducing the nagging** on my end.

– Parent from CHIJ Lady of Nativity
