Dear Parents / Guardians,

NOTIFICATION TO PARENTS (TERM 4/2024)

1. **Term 4 School Calendar and Days of School Closure due to PSLE Examinations and Marking.**

As there are several days of school closure due to the PSLE examinations and marking. Do take note of these dates and make the necessary childcare arrangements.

a. Annex A lists the schedule of events for Term 4.

b. Annex B delineates the content to be tested for the Primary 3 to Primary 5 End of Year Examination as well as for the Term 4 Primary 1 and Primary 2 Non-Weighted Assessment.

2. **Traffic Safety.** The school seeks your cooperation in preventing potential accidents at the front gate when dropping off or picking up your son/ward. Due to the heavy traffic conditions of both vehicles travelling along the road and pedestrians crossing the walkway outside of the gate along Hougang Ave 8 (main road outside the school), stopping your vehicle near or at the front gate is unsafe. On some occasions, cars block the school entrance and cause congestion.

Please practice road safety and role model safe practices by dropping off or picking up your son/ward at any of the HDB car parks next to the side gate.

3. **Safety on the Road.** For students and parents who cycle to school, it is recommended to wear appropriate protective gear as recommended by LTA. Pedestrians and riders should constantly look out for dangers by staying alert and moving at an appropriate speed.
4. **Consideration for Residents.** The school seek your understanding when we are in the residential area and carparks:
- a. The school cultivates punctuality as a discipline, and we seek our parents'/guardians' partnership to instill the same message as well. Do send your sons/wards to school

earlier, to promote the discipline of punctuality and minimise the rush to classroom/hall/parade square for flag-raising ceremony.

- b. Do make use of all available carparks near the school to prevent congestion and avoid bottlenecks. If we encounter congestion, remain patient and avoid using the horn, as it will disturb our fellow residents. Additionally, do instill in all our boys the discipline to behave well outside of school i.e., avoid being loud, and running across pedestrian crossings. Our role in modeling and reinforcing the school's values of Respect and Compassion will further support our efforts to foster good relations with the local community.

- 5. **Safety in the School Bus.** For parents whose children are taking the school bus, it is a requirement that all children wear seat belts when in the school bus. We seek your help in reminding our children of the importance of wearing their seat belts and always remaining seated while in the school bus. Repeated failure to wear the seat belts may result in the bus company preventing the child/ward from using the school bus services.

We also encourage parents to feedback to the school on any school bus safety related concerns. The school will follow up with the bus company accordingly. On a similar note, bus captains are also required to communicate to the school on any safety concern due to students' behaviour such as not wearing seat belt or behaving rowdily to distract the drivers etc. The school will put in place interventions to ensure safety of all school bus commuters is not compromised.

- 6. **Children's Day Celebration.** The school will celebrate Children's Day on 3 Oct 2024 (Thu) and students will be dismissed at 10.30am. This Children's Day, we will invite all students to dress up in their own favourite book or superhero character. They can share this in class during the class party. The theme is "Sparkle Thoughts". Meaningful and fun activities have also been planned to engage our students in their classrooms.
- 7. **Deepavali Celebrations.** The Deepavali celebrations in school will be held on 25 Oct 2024 (Fri). Please note that on 30 Oct 2024 (Wed), the eve of Deepavali, Hindu staff and students will be dismissed at 10.30 am.
- 8. **Post PSLE Programme for P6 Students.** Attendance is compulsory after PSLE as lessons will continue. Meaningful and interesting activities have been planned for the students. There will also be sessions to guide our students on their transition to secondary schooling.
- 9. **CCA Programme.** The final session for all after-school CCA will be on 2nd Oct 2024 (Wed) and resume only from 29 Oct 2024 (Tue) onwards.
- 10. We would like to invite parents of confirmed MSPEX participants to the overseas pre-trip briefing zoom session on 19 Oct 2024 (Sat). We will be providing more details over PG.
- 11. **PE Programme.** We will be having our P5 OAL Camp at MOE Dairy Farm Campsite from 7 Nov (Thu) to 9 Nov (Sat). The Outdoor Adventure Learning Camp aims to instill a sense of resilience

and our school values in our students. We would also like to invite all Primary 5 parents to the P5 camp briefing zoom session on 5 Oct 2024 (Sat). More details will be provided over PG.

12. **Catholic Programme.** Details on the schedule of masses that parents are invited to attend is available on our school website at <https://www.montfortjunior.moe.edu.sg/montfort-junior-school-schedule-of-masses-for-term-3-4-2024/>
13. **Term 4 Student Check-in Survey.** The survey will provide an opportunity for us to understand students' sentiments towards Term 4 and how students are managing challenges that they may be facing. The links for students to access the survey at home is available here: [P1&P2](#), [P3&P4](#), [P5&P6](#). Your child/ward will also receive the link through his Form Teacher. The online survey will close on 13 Sep 2024 (Fri).
14. **Partnership.** We thank you for your support this year and look forward to working with you in the following year to provide positive educational experiences for our boys. May God bless you and your family abundantly.

Age Quod Agis!

Yours Sincerely

Victor Tan
Principal
